

MISSION STATEMENT

Providence United Methodist Church Weekday School is an outreach ministry of Providence United Methodist Church. The mission of the Weekday School is to communicate God's love, as it is revealed through Jesus Christ and to provide an environment for children that encourages each child to grow spiritually, socially, cognitively, physically and emotionally. We are a Christian program which acknowledges and respects the different religions and cultures represented in the program.

STAFF

Our staff is comprised of caring individuals with a genuine love for young children. Administrators and teachers have previous experience working with children and share their professional excellence as well as their Christian faith with the students daily. The teachers are required to meet certain educational requirements as well as participate in annual continuing education classes and maintain certification in both Pediatric CPR and First Aid.

ACCREDITATION

Our school has received the WISE award from the Western North Carolina Conference of the United Methodist Church. This coveted award is awarded to schools meeting standards set by the Conference.
